Article 152(a), if applied strictly, will operate as a hardship in cases like the one under consideration. But the proposal of the D. of E to treat all those who are working temporarily in posts, no part of the pay of which is drawn by any other person, as permanent for purpose of leave, is rather wide. Such a concession may reasonably be extended to those who are continued on temporary footing, in vacancies which are permanent. The Financial Secretariat may be consulted

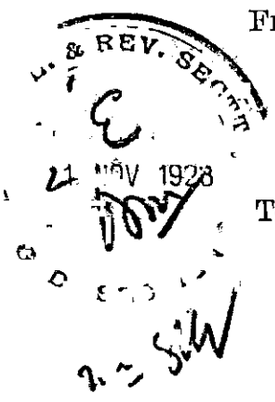
Office of the Inspector General of Education in Mysore,
Bangalore, 16th November 1923

Enc. one.



From

C. S. BALASUNDARAM IYER, Esq., B.A.,
Inspector-General of Education in Mysore.

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

Sir,

I have the honor to submit herein enclosed copy of letter No. 335/Edn. dated 12th April 1923 from the Comptroller taking objection to having granted privilege leave to Mr. Dorai Raj, of the Central Panchama Institute, Mysore, at extra cost on the ground that Mr. Dorai Raj is a temporary employee of the Department. Mr. Dorai Raj joined service in the Department on 12th February 1921 and has put in about 2 years of service. Though the vacancy in which Mr. Dorai Raj has been working is practically permanent, he has not yet been confirmed in his post for the technical reason that persons who were appointed earlier in the same grade (57-4-77) are still continuing sub-protem or temporary. There are several such cases in the Department of persons continuing temporarily for a number of years for one reason or another. There are also other persons who are working in places which were temporarily sanctioned and are being continued year after year. A number of such appointments sanctioned in connection with the opening of University Entrance Classes in High Schools so far back as 1917 or 18 were made permanent only recently.

If in such cases, article 152 A of the Mysore Service Regulations is interpreted to mean that the temporary employee whatever may the service he has put in, will not be entitled to any kind of leave entailing extra cost, it will either be a

hardship to the officials if leave <u>without allowances</u> is granted or the interests of the institutions will suffer if no arrangements at extra cost are made.

Under the circumstances detailed above, I request that the condition laid down under article 152 (a) of the Mysore Service Regulations (excluding all kinds of temporary employees from the privileges of leave with allowances) may be modified so as to admit of the treatment of persons who are working temporarily in places no part of the pay of which is drawn by any other persons, as permanent for purposes of leave.

I have the honor to be,

Sir,

Your most obedient servant,

C S Balasundaram
Inspector General.

Adverting to your Memo No. D 2 Dis. 2452 of 22-23 dated 15th January 1923 sanctioning the grant of privilege leave on half pay to Mr. Dorai Raj, Temporary Assistant Master, Government Central Panchama Boarding Institute, Mysore, with effect from 11th October 1922 and appointing a substitute on Rs. 55/- during his absence, I have the honor to request that you will be so good as to intimate the rule or authority under which extra cost was permitted to be incurred during the absence of Mr. Dorai Raj contrary to Article 152 (a) Mysore Service Regulations. The favour of an early reply is requested.

Letter No.C.5454/22-23 dated the 16th November 1923 from the I.G. of Edn. in Mysore suggesting a modification of the rules regarding the grant of leave with allowances to temporary employees in certain cases even when extra cost is involved.

S&A. 17-23-25

Order No. R 6086-125

Dated, Bangalore, the 1st ~~Dec.~~ Feby 1924

Under Article 152 (a) of the M.S.R an officer who has a temporary or --- officiating appointment only may be allowed casual leave and Privilege leave, without losing a lien on such appointment if no substitute is required or his duties can be provided for without additional expense. The Inspector General of Education has brought to the notice of Government that there are several cases in the Department of persons continuing temporarily for a number of --- years for some reason or other and that in these cases the above rule operates as a great hardship as either the --- employees should be granted leave without allowances irrespective of the length of service put in by them or the interest of the institutions concerned will have to suffer if no acting arrangements involving extra cost are made. He has in these circumstances requested that the condition laid down in Art.152

152 (a) M.S.R. may be amended so as to admit of the grant of leave without restriction to temporary employees working in places, no part of the pay of which is drawn by any other persons, such -- employees being regarded as permanent for --- purposes of leave.

2. Govt. consider that some concession is necessary in the case of officers who have been on a temporary footing for a long time and -- accordingly direct that temporary employees -- who have rendered temporary service for not less than two years in vacancies which are practically permanent may be granted the privilege leave which they are entitled to, though involving extra cost. Articles 152 (a) M.S.R. will be amended accordingly.
